

# 360 PHOTO SHOOT

## Basic Package

Step into the world of fun with our 360 Video Booth! Strike a pose and instantly receive stunning, fully rotatable videos. A branded backdrop and our extensive prop collection ensures endless entertainment and creativity of everyone involved. Participants will receive a high-quality, sharable video that will extend the brand to those beyond.

## VIP Package

In addition to the basic package your event gets 2 extra backdrops to surround the photo area. A red carpet with stanchions set the stage for an event of luxury. Live screen replays on a TV will showcase the fun and creativity in real-time for all to see. What's more, you will get a custom graphic overlay to seamlessly integrate your event's theme or branding into each video, creating unforgettable keepsakes of the event for participants.

Make your event unforgettable with our 360 Video Booth VIP Package, where every detail is designed to make you feel like the true VIP!
